### Celebrate Earth Day...

Earth Day is Saturday April 22<sup>nd</sup>, and we will be celebrating Mother Earth all month...and all year for that matter. Leash on Life has partnered with Fussie Cat food to offer reusable bags. They will be \$0.50, and then we will give you a nickel back all year when you bring the bag back in to use. Just 10 trips to the store and the bag is paid for, and we don't use plastic bags! Stop in April 15-23 for a week of sales and promos supporting our planet.

### Top it Off...

Looking for a new gravy to jazz up dinner time? [Super Gravy](#) is just that, SUPER tasty and nutritious. Really easy to use...either sprinkle on top kibble and add water or mix it up in a jug ahead and pour on the food. Full of digestive enzymes and probiotics for better digestion with every meal, and great tasting to dogs or cats. Three flavors available to please any pallet. And in honor of earth day... If you are topping our kibble with canned food you will save on cans with Super Gravy. We will have it in stock April 10<sup>th</sup>

### The Scoop on Poop...

Earth Rated™ poop bags are degradable. Earth Rated™ takes that one step further, with packaging and center bag core made from recycled paper. Earth Rated™ bags come in three styles; regular, extra-large and tie handles and they are unscented or have a light lavender scent. All this just as the spring has finally arrived. There is nothing like being able to change the world one poop at a time.
